PROFESSIONAL EXPERIENCE

Innovo Technologies, Islamabad

Oct 2023 - Present

Android Developer

Successfully enhanced the functionality of a **Berain** logistics (POS) App by adding new features tailored to client requirements. Revamped app with modern architecture, updated libraries, and payment integration.

Navhoo, Birmingham, UK (Remote)

Sep 2023 - Jan 2025

Android Developer

Led feature development and maintenance for the **Navhoo** taxi booking app, ensuring seamless performance through rigorous testing and monitoring. Collaborated with a global team to implement new features and optimize app functionality to enhance the user experience.

Mobinspire Pvt Ltd, Rawalpindi

Nov 2022 - Jun 2023

Android Developer

Streamlined project delivery for the **TTDAAL & Alianza** App by effectively managing workflows using Agile methodologies. Led cross-functional teams and clear communication, delivering solutions and service industries.

Utility Smart Apps Technologies

Nov 2020 – Oct 2022

Android Developer

Developed and maintained utility apps with AdMob advertisements, including **Family Tracker**, **Scrolling Screenshot**, **All Doc Reader**, **PDF Scanner**, **WiFi Master**, **Neon Keyboard**, **App Locker**, and **GPS Navigation**. Optimized performance, reducing load time by 30% and contributing to 1M+ downloads. Enhanced UI/UX, increasing user retention by 25%.

YFCSolution, Rawalpindi

Dec 2018 - Aug 2020

Android/Web Developer

Developed the **16Sixty** e-commerce app for retailers and wholesalers using WordPress WooCommerce for clothing and accessories. Built a **16Sixty CRM** system using Core PHP to enhance business operations. Created the Karigar on-demand service app and the **Romeoschorley** food delivery app on WooCommerce. Additionally, developed a **Future Campus CRM**, managing students, CSR, managers, parents, payments, and invoicing.

Bizventure Marketing, Islamabad

Jan 2018 - Aug 2018

Junior Android Developer

Developed the **Aquatic Mall** real estate app to manage client installment plans, office and suite bookings, news, and floor designs. Built a **Gwadar land sale & purchase** app for commercial and residential properties, including installment plans for factories. Developed an e-commerce app, **SellingB**, for ladies' bags, ensuring a seamless shopping experience.
